EQUINE LAMENESS & PERFORMANCE SPECIALISTS

Karen A Hassan DVM, DACVS

Diplomate of the American College of Veterinary Surgeons

VISTA VETERINARY SPECIALISTS

Michael G Dearmin DVM, DAVCS

Diplomate of the American College of Veterinary Surgeons

Our **LOVE** of science led us to the field of veterinary medicine. Where will it take you? Dr. Dearmin chose to specialize in small animal surgery while Dr. Hassan chose to specialize in equine lameness and surgery.

We wish to help children recognize how **FASCINATING** and **INTERESTING** science is. All proceeds go to science education. Saturday, March 5 2016 will be a great event for all who attend. Entry to the event is free!

Horse and dog owners:

Please text (916 742-2657) to set up an appointment time. If you do not hear back within 48 hours, please contact us again (we are busy parents too!) Please include number of horses and or dogs and services needed. Spaces are limited and filling fast!

All animals must be **CONTROLLABLE** (there will be children and lots of other animals). **DOGS** must be **healthy ADULT** dogs and **must be on a leash**.
